

# Pennies To Dollars

America's newest and easiest fund raising system

Pennies To Dollars is a copyrighted fund raising system that raises up to **\$90.00** profit per member with **no product** and **no delivery**. Imagine raising **\$90.00** per member without messy candy bars or overpriced gift items. No car washes! No spaghetti dinners! Think about it -- no delivery, no returns and **\$90.00** potential profit per member.

**MEMBERS OFTEN SELL MORE THAN ONE CARD.**

## Has This Ever Happened To You?

The next door neighbor knocks on your door and is selling some overpriced "something" you really don't want...but you buy **\$10.00** worth anyway just because your neighbor always bought from your kids. As you close the door, you silently wish you could just give the kid a few bucks and forget the mediocre product. Well, the **PENNIES TO DOLLARS** fund raising system allows you and your neighbors to do just that. Forget the **\$10.00** product... make a small donation instead.

## How Does The System Work?

Each "spot" on the card is worth **\$0.05 to \$3.00** and all your donor has to do is "rub a spot" to reveal their donation. It's that simple. You get cash with no product and no delivery to worry about. Your friend spends a few bucks for a good cause, avoids an overpriced product, and has fun doing it! Between you and me, most people round up their donation to even money, so you could actually raise more than **\$90.00** per card.

## How Much Can You Raise?

Every group is different... but with a profit of approximately **\$90** per card, the money adds up fast. Typically it only takes a week to sell out an entire card, and some sellers will go through more than one card. Use our profit calculator below to see how much your group could make in a single sale!

10 sellers = <b>\$900.00</b> profit	100 sellers = <b>\$9,000.00</b> profit
20 sellers = <b>\$1,800.00</b> profit	150 sellers = <b>\$13,500.00</b> profit
30 sellers = <b>\$2,700.00</b> profit	200 sellers = <b>\$18,000.00</b> profit
40 sellers = <b>\$3,600.00</b> profit	250 sellers = <b>\$22,050.00</b> profit
50 sellers = <b>\$4,500.00</b> profit	300 sellers = <b>\$27,000.00</b> profit
75 sellers = <b>\$6,750.00</b> profit	400 sellers = <b>\$36,000.00</b> profit
500 sellers = <b>\$45,000.00</b> profit	

## 14 Exciting Cards Available!

To help increase seller motivation there are over 14 cards to choose from, including an [all-purpose card](#). Click on one below to see a close-up. We also offer [personalized cards](#)! Simply mail us a photograph of your group, and we will custom print your cards. Our address is at the bottom of this web page.

## Our Newest Scratch Card!

We call it [Scratch-A-Thon](#) and it raises a total of **\$260.00** profit per card. Now small and large groups can do an "Athon" without the work and organization of a jogathon, bikeathon, walkathon, etc.

Just tell people your organization is doing a "scratchathon" and they will scratch to determine their donation. No surprises like the kid who walks **100** miles at a cost of **50¢** a mile. With scratchathons the donors determine how much they can comfortably contribute to your cause.

Remember, each Pennies To Dollars scratch-off card is capable of raising over **\$90** of profit for your group.

Each donation is determined by the amount revealed by rubbing off the silver oval. And the special "Scratch-A-Thon" card raises over **\$260** per person!
